I am very pleased at your feedback that you all are happy and satisfied with the efforts of Indian School Muladha and its staff in catering to the educational needs of your wards. With the innovative mode of learning and the unstinted support and motivation extended by dedicated teachers, I am sure that our students have become independent, self-sufficient and have imbibed the proficiency to face any challenge and enhance their standard.

The online system of teaching –learning process may continue for some more time as the things are slowly improving and getting normalized. We expect your timely support for the successful achievement of educational objectives. Let me remind the students to be judicious, honest and punctual in attending the online classes and assessments.

Without your financial backing, it is very difficult to run the school. Hence, you are requested to kindly extend your constant support by clearing the outstanding fees (if any) in the school office during the Working hours from 9 a.m. to 3 p.m. on all working days / pay online to the following school account or deposit the same through CDM and Whatsapp the receipt to the Class Teacher indicating Student's Name, GR No. & Class.
