### Avenir 2020 – Be Future Ready

Dear Parents and Students,

Avenir brings new beginnings and new opportunities in a brand-new virtual platform this year. This 9-day jamboree have chalked out a schedule for more than one hundred webinar sessions by various universities across the globe, career talks, motivational talks, success stories and talks on soft skills by experts and eminent personalities in different fields of study.

On the third day of this grand jamboree, I would like to remind all students and parents to attend the forthcoming sessions without fail as per the schedule either through Zoom meeting portal or through the YouTube links and do fill in the feedback forms.

Your virtual presence is expected and you are requested to make use of this wonderful opportunity.

Warm Regards

  
S.I. Shareef
