## Circular to Parents

Dear Parents,

Greetings!

Hope you are all doing fine and in good spirits.

We acknowledge and appreciate your support and co-operation in the smooth running of the school. I am happy to say that our students have completed the First Term Online Examinations successfully inspite of all the difficulties faced by them.

I am quite sure that you are all very happy and satisfied with the efforts of Indian School Muladha and its staff in catering to the educational needs of your wards. We are trying our level best and not leaving any stone unturned in discharging our responsibilities by providing quality education to our students.

It's time for us to ask your wholehearted support and co-operation as you are an important stake holder of your ward's school. Without your financial support by remitting students' tuition fees, it's very difficult to run the school and take care of the staff who are associated with us and rendering their unstinted support to all our students.

Hence, you are requested to kindly extend your constant support by clearing the outstanding fees (if any) in the school office during the Working hours from 9 a.m. to 3 p.m. on all working days / pay online to the following school account **or** deposit the same through CDM and Whatsapp the receipt to the Class Teacher indicating Student's Name, GR No. & Class.

**BANK MUSCAT A/c. No. 0358 0005 7622 0016**  
**INDIAN SCHOOL MULADHA**

Your kind action in this regard will strengthen the functioning of the School further.
