Circular to Parents (Classes VI to VIII)

Dear Parent,

Assessment is a part of the curriculum where students are exposed to logical and analytical thinking. This Assessment System helps the child to understand his/her caliber and skill enabling him/her to carve his/her path of interest.

Parents have a pivotal role to play in the academic achievement of students. You are requested to help your students to create a study planner and provide a suitable study environment. Advise them to stay off social media and extend support whenever required.
