HALF YEARLY EXAMINATION, 2024-2025

Circular for Classes IX-XII

Dear Parent

Greetings from Indian School Muladha!

Assessment is an integral part of the curriculum and an important aspect of learning. It helps to identify the strength and weakness of the learner, measure their progress and set goals for improvement. It's also about understanding the material, developing critical thinking skills, and applying what is learned in real-world situations.

Parents have a pivotal role to play in the academic achievement of students. You are requested to help your wards to create a study planner and provide a suitable study environment.
